24.05.24 Break up

Welcome back!

We hope that you all had a lovely Easter break and hopefully you are ready for the final term at BFHA!

Remember, if you have any concerns, please don't hesitate to come and talk to us or send us a message on Dojo.

Enquiry: Do we all leave a legacy?

This term's enquiry focuses on the creative arts.

In **art**, we will be looking at Frida Kahlo's work to inspire our own art work. We will be learning the skill of over-printing to create a background for our final piece of artwork. Critiquing our own and others' work will also be a focus in our lessons as well as explaining how our work has been influenced by the work of Frida Kahlo. In **design technology**, we will be learning to combine materials when we make a Mayan Temple which will link to our **history** work. Our **design technology** work this term will also involve some cooking using chocolate.

English

A lot of our English work this term will be based on the book, "Pig Heart Boy" by Malorie Blackman. We'll be writing a monologue based on the book as well as a balanced argument. We'll also link our writing to the science learning and write an explanation text about the heart.

Maths

In the lead up to SATs, we will be revising all areas of maths as well as working on our arithmetic skills.

Later in the term, we'll be applying our problem solving skills to real-life situations.

Residential Visit to Walesby Forest

Please remember to return the medical form and pay any outstanding balance as soon as possible.

We still require some help with transporting the children to Walesby on Tuesday 21st May at 12:00pm and back to school on Thursday 23rd May at 1:30pm please. If you can help, please let us know.

SATS WEEK
