### Research

Create a fact file for an African animal that interests you.

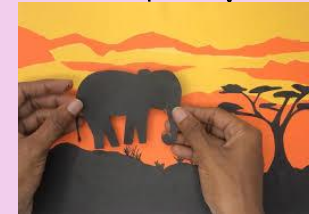

### Make a holiday brochure for an African safari

Can you advertise an African safari? What types of animals might you see?

### Create a piece of artwork representing Africa

Why not create a piece of artwork that represents Africa. Here are some ideas.

### Write a postcard

Remember writing postcards like Sunny the Meerkat?

You could write a postcard as if you were visiting any country you like. This could be a country you have actually visited, or you could imagine you are somewhere.

### Create a map

Do you remember looking at maps and globes? Can you create a map? This could be a map of your local area, the UK or a world map. You could create a map out of Lego, a paper mache or balloon globe or a paper map. It is completely up to you!

### A book review

Remember when we read 'Meerkat Mail'? Why don't you write a book review about the story? What were your favourite parts?
